 AT THE LAKE

Floor plans and square footages of residential units, including decks and stairs (and location of such), as shown on marketing materials are approximate and should be verified independently by buyer. Actual floor plans and square footages may vary. In a continuing effort to improve its products, Builder reserves the right to make modifications to the design, specification, material and/or floor plans for the residential units at any time and without prior notice. Renderings and maps are artist's impressions only.
